It is essential that every Firm or Proposer when seeking a quotation to take out or renew any insurance discloses to Insurers all material facts and information (including all material circumstances) which might influence the judgement of an Insurer in assessing whether or not to accept the risk and on what terms. The obligation to provide this information continues up until the time that there is a completed contract of insurance. We hereby warrant that:

- To the best of **our** knowledge and belief the foregoing particulars and statements are true and that no material fact has been withheld.
