

# neutral carbon zone

## This certificate is awarded to: Think FM

To acknowledge their status as a neutral carbon zone certified company

Certificate number: 104650

Date awarded: 10th Oct 2023

Accounting Period: 1st Apr 2022 - 31st Mar 2023

Expires: 9th Oct 2024

neutral carbon zone certification is awarded when Greenhouse Gas emissions have been calculated in accordance with the guidelines set out by the WRI/WBCSD Greenhouse Gas Protocol Corporate Standard, and subsequently offset in full with Verified/Certified Emissions Reductions accredited to the relevant global standard. The Carbon Credits are then retired and published on an Environmental Registry.
